Chuck Bowling reviewed advertisements that have been done for the 2012 SNFR and season rodeos. An ad was put in the Cowboy Times for the longhorn rodeos and all 2011 and 2012 members have been sent a postcard with SNFR information on it. He wants Butch Terrell's membership drive to be successful so he called this meeting for Butch to explain his plan and answer questions.

Butch opened with a prayer. He wants the best for this association because it's a great place to go and rodeo, see friends, and have fun. He feels that the past members need encouragement; we need to give them a personal phone call and encourage them to come back. Tell them that we are planning the best finals ever in Las Vegas, NV. Butch asked Michaela to compile a list of past members who have not been contacted yet this year, then asked for those members to be split up among the 16 board members. Michaela made a file with each board members name on a tab at the bottom and they were assigned 30-37 past members each. If phone numbers are not list, those could be found in the 2008 directory. Butch would like each board member to contact everyone on their list and tell them about our SNFR and ask them to join the NSPRA. Butch started on his list and has had success so far. One is considering joining again and another is going to join. Everyone so far has been appreciative of the call.

If anyone has trouble calling all of their members, Butch encourages them to call on other board members for help. An email has been sent to all board members with a letter from Butch, a SNFR Ad, and the membership drive list. Discussion.

Chuck Bowling will be calling another conference call within the next 3 weeks.

Meeting Adjourned 9:50am.
